The freedom to vote is America's most important political right outside of the original Bill of Rights, and it is also the most hard-won right. In the early years of our republic, only white landowners could vote.

Why Voting Matters: Large Disparities in Turnout Benefit

Some of the academic research on ISO 14001 has focused on analyzing the benefits of its adoption. However, this international standard has also received some criticism, particularly in respect of the adoption of ISO 14001 when not accompanied by significant improvements in environmental performance.
