

**lussier achua leadership 5th pdf**

Servant leadership expands upon this value element by promoting self- transcendence in the service of supporting the growth and development of others (Lussier & Achua, 2007).

**Holistic Leadership: A Model for Leader-Member Engagement**

In response to the early criticisms of the trait approach, theorists began to research leadership as a set of behaviors, evaluating the behavior of successful leaders, determining a behavior taxonomy, and identifying broad leadership styles. David McClelland, for example, posited that leadership takes a strong personality with a well-developed positive ego.
