National Registry psychomotor examinations are standardized examinations administered in a variety of locations across the United States. EMR and EMT psychomotor exams are coordinated by either the State EMS Office or by educational institutions under authority of the state.

National Registry Psychomotor Exam Information

Physical therapists and physical therapist assistants (PTAs) under the direction and supervision of a physical therapist are the only providers of physical therapy services. In many practice settings, physical therapists rely on the PTA to assure that all patients/clients have access to physical therapy services.

About Physical Therapist Assistant (PTA) Careers

Nephrolithiasis specifically refers to calculi in the kidneys, but renal calculi and ureteral calculi (ureterolithiasis) are often discussed in conjunction. The majority of renal calculi contain calcium.
