

pediatric dentistry infancy through pdf

The American Academy of Pediatric Dentistry, AAPD, is the authority on children's oral health and dental care.

Pediatric Dentistry - The American Academy of Pediatric

We are the membership organization representing the specialty of pediatric dentistry. The AAPD's 10,000 members serve as primary care and specialty providers for millions of children from infancy through adolescence; provide advanced, specialty-level care for infants, children, adolescents and patients with special health care needs; and are the primary contributors to professional education ...

Breastfeeding and human milk are the normative standards for infant feeding and nutrition. Given the documented short- and long-term medical and neurodevelopmental advantages of breastfeeding, infant nutrition should be considered a public health issue and not only a lifestyle choice. The American Academy of Pediatrics reaffirms its recommendation of exclusive breastfeeding for about 6 months ...
